

LET ME *Pray* FOR YOU!

The Intercession Journal

Calling All Believers

The Bible declares in James 5:16 (ESV),

"Therefore, confess your sins to one another and pray for one another, that you may be healed. The prayer of a righteous person has great power as it is working."

Now, more than ever before, **there is a mandate** on the believers of God to pray for one another. God is positioning us for the shift that He is creating in the spiritual realm. He's calling His children, you and I, back to Himself and is requiring us to fully answer the call that He has on our lives. He's calling us higher and to a greater anointing. **He's equipping us for spiritual battle** and a major part of that happens in our prayer life.

There is an urgency and necessity for your prayers to be released in the atmosphere. **There are literally generations of people locked inside of your prayers** and NOW is the time for prayer and intercession. There is so much going on in our world, and many evil and confusing spirits running rampant, working against the will and plan of God. We, as believers, are commissioned to cover one another. **We must cover one another!** This is the purpose of this journal.

No longer will you pass someone by or comment on their post saying, "I'm praying for you," and never do it! It's time to really be about it! **This intercession journal is your place to record for whom and what you are praying.** Keeping a documented list will help you be intentional, thorough, and actionable about **interceding for others.** Seeing these prayers manifest, and coming back to this list, will only increase your faith in God and your witness to others.

Remember, your prayers have power!
